### Brothers With No Game – The Web Series Returns for SEASON 2! Summer 2013

After a successful opening season which has accumulated over 400,000 views, 6 LA Web Series Festival 2013 Awards and major coverage in *The Guardian*, *The Voice*, *The Grio* (NBC News) & G4 (NBC Universal) to name a few; 'Brothers With No Game – The Web Series' announces its official return for Season 2 on August 12<sup>th</sup> 2013 at 8pm.

Set in London, **Brothers With No Game** follows the social and romantic lives of four friends: Theo, Dorian, Junior and Marcus. Facing a 'quarter-life crisis', the 20-somethings come to terms with the responsibilities and dilemmas that revolve around work, family, friendships and most notably, women. Their distinctive personalities and ever-changing love lives are paralleled by a strong friendship and one evident, common trait: **They have no game.**

Since the launch of the series in June 2012, viewers have seen the lives of **Marcus** (*David Avery - The Inbetweeners Movie, The Dumping Ground*), **Theo** (*Jay Marsh -The Rat Pack Live*), **Dorian** (*Zephryn Taitte - The Jungle Book: Birmingham Stage Company*) and **Junior** (*Isaac Sosanya - Around the House*) unfold in the most hilarious, cringe-worthy and downright emotional ways. Now with the cliff-hanger centred on the love triangle between Junior, his past love **Vanessa** (*Nemide May –*

*The Last Resort*) and new girl **Remy** (*Ashley Bannerman – Casualty, Law and Order UK*); a thin line between love and friendship via Dorian and **Lisa**, (*Natalie Duvall - Who's Afraid of Virginia Wade?*) and unanswered questions surrounding **Simone** (*Dani Moseley – Gates, Doctors*), **Brothers With No Game** is on course to make even more waves with season 2. There are new characters also added to mix to create new stories.
